FUTURE PROJECT

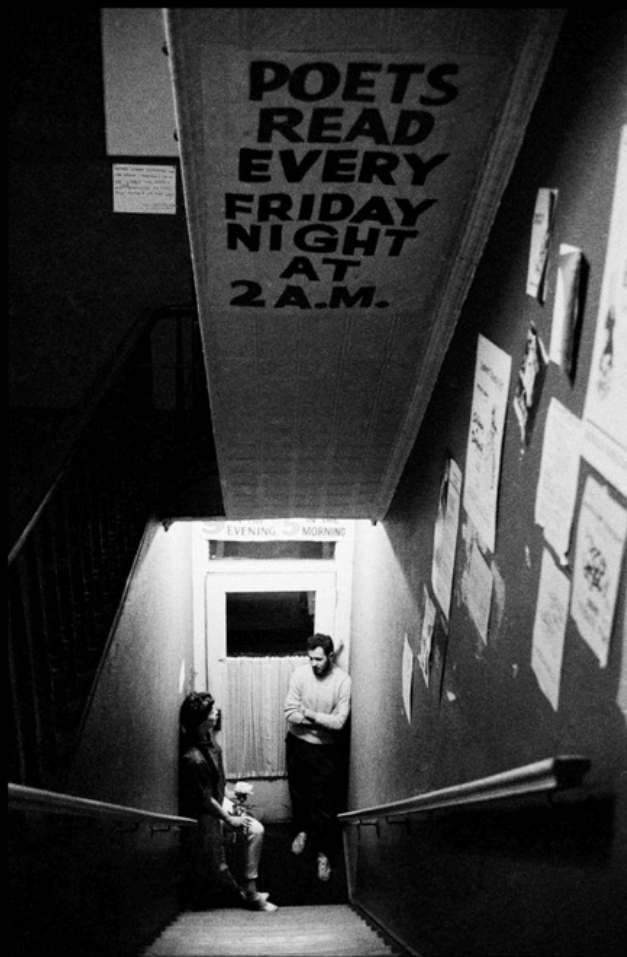

His next album, which the title it's yet to be determined, consists in the relationship between a man and a woman, situated in the big apple, New York City. The album narrates the story of this relationship, from the moment they meet (Track 1) up until the Post-Mortem of the relationship. This album takes us, in a sort of adventure through all the great stages of this "cool" connection this couple has, narrated from the experience of the man.

Since the stages of Love are very different from one another, the music and the lyrics try to match each stage individually. This means this album could encapsulate different sounds and tones, maybe even different genres entirely. It makes sense that the Honeymoon phase of the relationship embodies a more pop and happy sound, while the Stagnation part captures more of a rock, heavy, deeper vibe.

ALBUM AESTHETIC

FEMME FATALE

THERE IS A SORT OF TRASHY, GLAMOUROUS STYLE THROUGHOUT THE ALBUM,
SEEMS TO BE ALMOST SOMETHING UNTOUCHABLE.
BUT AT THE SAME TIME, THERE IS A VULNERABILITY THAT IS YET TO BE SHOWN.

THERE'S HEARTBREAK, THERE'S DECEPTION.
THERE'S REVENGE, THERE'S SEX.
THERE'S LOVE, AND THERE'S JEALOUSY.
THEY ARE CELEBRITIES, BUT AGAIN, THEY ARE HUMANS.

THIS ALBUM TENDS TO GO FROM ONE EXTREME TO ANOTHER,
SO IT LETS THE EXTREMES BALANCE EACH OTHER OUT. LIKE NYC ITSELF.
SHE REPRESENTS THE CALIFORNIA SUN,
HE IS THE NEW YORK CITY SKYSCRAPERS.
